Case No . C07-02126 JSW

**STIPULATION FOR PROTECTIVE  
 ORDER AND ORDER THEREON**

STIPULATION

In order to preserve and maintain the confidentiality of certain documents to be produced  
 by defendant Pacific Gas and Electric Company (“PG&E”) in the above-captioned action,

**LAFAYETTE & KUMAGAI LLP**  
 ATTORNEYS AT LAW

plaintiffs William A. Smith and Jose E. Lemus (hereinafter "Plaintiffs") and PG&E, by and through their attorneys of record, hereby stipulate as follows:

1. Documents to be produced by PG&E during discovery in this litigation may contain information protected by the constitutional right to privacy of third parties, trade secrets and other confidential matter, policy, procedure, research, development or information. These documents are hereafter referred to as "Protected Documents." Except as otherwise indicated below, all documents designated by PG&E as confidential that are produced in this action shall be Protected Documents and given confidential treatment and safeguarded as described below.

2. Protected Documents shall not include materials that on their face show that they have been published to the general public.

3. If a party contends that any document has been erroneously designated confidential, it shall nevertheless treat the document as a Protected Document unless and until it either (a) obtains PG&E's written permission to do otherwise or (b) obtains an order of this Court finding that the document is not a Protected Document.

4. Protected Documents and the materials contained therein shall not be used or shown, disseminated, copied or in any way communicated to anyone for any purpose whatsoever, other than as required for the use, preparation and trial of this action. Except as provided for in the paragraphs below, the parties shall keep all Protected Documents and the material contained therein confidential from all persons.

5. Except with the prior written consent of PG&E or upon further order of this Court, Protected Documents shall be shown or the contents thereof disclosed only to the following persons (hereinafter referred to as "Qualified Persons"):

- a. The parties and their counsel of record in this action;
- b. Employees of the parties' counsel assigned to and necessary to assist such counsel in the preparation or trial of this action;
- c. Court reporters and/or videographers employed in this action by any party to whom disclosure is reasonably necessary;
- d. During their depositions in the action, witnesses to whom disclosure is

1 reasonably necessary;

2 e. Independent experts and consultants (and their agents and employees)  
3 retained by the parties whose assistance is necessary for the preparation or trial of this specific  
4 action, provided that no such disclosure shall be made to any person employed by any competitor  
5 of PG&E's, except upon further order of this Court; and

6 f. The Court, jury or fact finder.

7 6. Before being given access to any Protected Document, each person to whom a  
8 party and its representatives intend to deliver, exhibit or disclose any Protected Document or  
9 material contained therein shall be advised of the terms of this Stipulation and Order, shall be  
10 given a copy of this Stipulation and Order and shall agree, in writing, to be bound by its terms.  
11 Counsel for the party shall maintain a list of all persons to whom any Protected Document or  
12 material contained therein is provided, and that list shall be available for inspection by the Court.

13 7. The party's counsel shall keep a record of all copies of each Protected Document  
14 distributed, in whole or in part, to any Qualified Person. Any copy so distributed shall be  
15 returned to counsel for the party after the completion of the Qualified Person's consultation or  
16 representation in this action.

17 8. To the extent that Protected Documents or information obtained therefrom are  
18 used in the taking of depositions, such documents or information shall remain subject to the  
19 provisions of this Stipulation and Order, along with the transcript pages of the deposition  
20 testimony dealing with the Protected Documents or information which transcript pages shall be  
21 specifically designated by PG&E.

22 9. Promptly after the conclusion of this action, but in no event later than one year  
23 after the entry of final judgment in this action, all Protected Documents, all copies thereof and all  
24 excerpts therefrom, shall be collected by each party's counsel from all consultants, experts and  
25 other Qualified Persons and shall be returned to counsel for PG&E. Upon request, PG&E agrees  
26 to provide a copy of specifically requested Protected Documents previously returned to PG&E  
27 should a party seek relief from a Final Judgment or Order. These documents shall be  
28 immediately returned to PG&E at the conclusion of such proceeding.

10. The parties shall not under any circumstances sell, offer for sale, advertise or publicize either the contents of Protected Documents or the fact that they obtained PG&E's confidential documents.

11. Documents to be produced in response to discovery request(s) may include documents or parts thereof unrelated to any specific allegation made. Accordingly, PG&E reserves the right to identify and withhold the production of specific documents or parts thereof which are subject to objections based on relevance or other legitimate grounds. PG&E will designate, in writing, which of the documents requested PG&E considers confidential and Protected Documents, which documents will be stamped in a manner so as not to impair the readability of the documents or any copies thereof.

12. Certain of the documents to be produced by PG&E in response to discovery requests may be designated as "ATTORNEYS' EYES ONLY" documents. PG&E shall affix the legend "HIGHLY CONFIDENTIAL – ATTORNEYS' EYES ONLY" at the top of each page that is designated as ATTORNEYS' EYES ONLY.

13. Documents designated as ATTORNEYS' EYES ONLY documents are extremely sensitive confidential information or items whose disclosure to another Party or non-party would create a substantial risk of serious injury that could not be avoided by less restrictive means.

14. Unless otherwise ordered by the court or permitted in writing by PG&E, plaintiffs party may disclose any information or item designated "HIGHLY CONFIDENTIAL – ATTORNEYS' EYES ONLY" only to

(a) Experts (1) to whom disclosure is reasonably necessary for this litigation, and (2) who have signed the "Agreement to Be Bound by Protective Order (Exhibit A);

(b) the Court and its personnel;

(c) court reporters, their staffs, and professional vendors to whom disclosure is reasonably necessary for this litigation and who have signed the "Agreement to Be Bound by Protective Order" (Exhibit A); and

(d) the author of the document or the original source of the information.

15. In addition to the provisions of paragraphs 12 through 14 of this stipulated

1 protective order, documents designated as ATTORNEYS' EYES ONLY documents shall receive  
 2 all protections, and be subject to all procedures and mechanisms, applicable to Protected  
 3 Documents.

4 16. After termination of this litigation, the provisions of this Order shall continue to be  
 5 binding, except with respect to those documents and information that become a matter of public  
 6 record. This Court retains and shall have jurisdiction over the parties and recipients of the  
 7 Protected Documents for enforcement of the provisions of this Order following termination of  
 8 this litigation.

9 17. This Stipulation and Order shall be binding upon the parties hereto, upon their  
 10 attorneys and upon the parties and their attorneys' successors, executors, personal representatives,  
 11 administrators, heirs, legal representatives, assigns, subsidiaries, divisions, employees, agents,  
 12 independent contractors or other persons or organizations over which they have control.
